# IEEE VANCOUVER WINDOWS 10 HACKATHON

**Register Now @** https://meetings.vtools.ieee.org/m/33577

## Event Location:

Simon Fraser University
Burnaby Mountain Campus
TASC1 Building
Room 9204 E/W

## Event Date & Times:

May 16–17, 2015
Starts Saturday @ 9:00am
Ends Sunday @ 1:00pm

## Event Sponsors:

**IEEE computer society**

**IEEE VANCOUVER SECTION**

**Microsoft**

**SFU**

The IEEE Vancouver Joint Computing Chapter, SFU Faculty of Applied Sciences, and Microsoft are excited to announce our next hackathon.

Come hack a Windows 10 universal app together in solo or in a team of 3 people. Don't have a team? You can join one after project ideas are pitched. Pitch your idea and get others to join you. Your hack can be any type of Windows 10 app except games.

Please, bring own devices (laptop, Surface 2, etc.) with the latest public Windows 10 Technical Preview build and Visual Studio 2015 to build Windows 10 apps. If you cannot install Windows 10 on your own PC, there will be a very limited number of Surface 2 devices that we can loan out. Government issued picture ID is required for loaning out a device.

Each team will be given a chance to demo their app to other participants and a panel of judges. Judges will score each app on the following criteria: UAP implementation, platform integration, store availability, and the app idea.

The top 3 teams will be given a prize. Prizes are:

**1st Place:** Surface 3 Pro

**2nd Place:** XBox One

**3rd Place:** Nokia Lumia 635

Prizes are subject to availability and may change without notice. Each team member will receive a prize provided there are no more than 3 team members.

Registration opens April 27 at 11:00am sharp to the **first 50 people** who register. Click on the URL above or scan the QR Code below to go to the registration website. Registration fee is:

- $20 (regular) or

- $10 for students (student ID required).

Your registration fee will help cover the cost of food. Main meals and snacks will be provided throughout the event.

Go to the registration website for more details.
